County's Worst Forest Fires Destroy 1300 Acres Of Timber

One of the worst forest fire disasters in the history of Hancock County started Sunday afternoon and extended into the wee hours of the morning, destroying close to a 1000 acres of timber.

Before the forest fire crews could get one blaze under control another fire would ignite in another section.

Area Forester Marion Parker said, "Carelessness has caused most of our fires, but it seems at least half of the fires Sunday came from the same source. I don't know if someone is starting them or purpose or not."

In the past 12 days the rangers have been called to fight 40 fires in the county. The flames have taken their toll on 1300 acres of timber and forest land.

Three crews of rangers, with two men to a unit, have been going day and night during this period.

The majority of the timber destroyed Sunday belonged to A. E. Cazaubon, Dick Cue and the International Paper Company.

Forester Parker asks, "If you find a forest fire put it out if you can. If you cannot call the nearest fire tower collect."

"In Hancock County you can call the Rocky Hill tower. The phone number is 8100."

SEPH WHITEHEAD RECEIVES TEN YEAR MANSLAUGHTER SENTENCE

Whitehead pleaded guilty to the charge of manslaughter for the rifle killing of a man in a Hancock County home.

He was indicted by the grand jury and immediately pleaded a plea of guilty.

Leslie Grant issued sentence to the 32 year old man, Whitehead broke down in tears saying, "Didn't want to kill anybody. I was scared and started shooting. I want to kill anybody."

Whitehead was taken into custody by Hancock County police on February 21 after he was shot in the back in Pearl River.

Whitehead was charged with killing a man, as he drove past the Midnight Club shooting automatic rifle. Thirteen shots were fired in the air.

The shells drove through the air and lodged in Acker's back as he was dancing in front of the building.

Whitehead will serve his sentence in the State Prison at Parchman.

USING AUTHORITY SET-UP BY HEITZMANN

Heitzmann, director of St. Louis Housing Commission, last week issued a statement explaining the present financial situation of the commission.

Heitzmann said the commission is primarily to provide safe and sanitary housing for low-income families who can afford to pay no more than \$200 a year.

Heitzmann said the commission is owned and operated by the City of St. Louis. It is a non-profit organization organized under the laws of the State of Missouri.

The commission is headed by Wallace J. Bonner, chairman, and includes other members such as Anthony Benigno, T. T. Anthony, and others.

The commission is responsible for the development and construction of both public and private housing projects.

The commission is also responsible for the management and operation of the housing projects.

The commission is also responsible for the maintenance and repair of the housing projects.

The commission is also responsible for the financing of the housing projects.

MSC Entertains Hancock Seniors

Mississippi Southern College will roll out the red carpet for high school seniors of Hancock County during the annual Career Day program scheduled on Friday, March 28.

Hancock Seniors will be guests of Southern students and faculty for an informative and fun-filled program that will begin with registration in the college field house at 8 a. m. and will continue throughout the day.

One of the features of the annual event is the career "mid-day" which will be held in the spacious field house. Here, the seniors will have an opportunity to view educational exhibits and to discuss career opportunities with representatives of the college's many divisions.

Another program highlight will be the auditorium presentation of HEY, DAZE, an original musical play depicting campus life. Starting at 11:15 a. m., this production features a cast of 65 students assisted by an 18-member pit orchestra.

After the visiting seniors have been served lunch as guests of the college, they will be invited to enjoy demonstrations by E. O. T. C. members in the stadium and by Health, Physical Education and Recreation students in the field house.

During the remainder of the afternoon program, a series of open houses along with individual career conferences will provide interest for the visitors.

A South Mississippi Science Fair, featuring exhibition of science projects from secondary and grammar school students from thirteen counties, will be held in conjunction with the Career Day Program. The exhibits will be on display in the Women's Gym and the contestants will be competing for more than \$2500 in scholarships and prizes.

4-H Rally March 25

The third annual Hancock County 4-H Rally day will be held on March 25, with a full day's entertainment scheduled for the youngsters participating.

It was announced this week that the rally will begin with a parade, beginning at the Bay St. Louis Youth Center.

A program will be held at the A & G Theatre following the parade. A talent show with students from all of the county's public schools will be given; a free movie later.

Approximately 500 Hancock County 4-H members are expected to attend. Parents and friends of the members are cordially invited to attend the program from 9 a. m. to 2 p. m.

VCJ Annex Opens Sunday

Mrs. Robinson Dies At 91

Funeral services were set this week for Mrs. Lizzie Robinson of Waveland. She was 91.

Mrs. Robinson was born near Baton Rouge, La. She is survived by one daughter, 23 great grandchildren and 11 great-grandchildren.

Services were scheduled at the St. Rock Methodist Church in Waveland, with burial to be in Waveland cemetery.

Mrs. Arcadia Galle And Son James Die In New Orleans

Bay residents were saddened this week by notices of the deaths of Mrs. Arcadia Galle who died in New Orleans last Friday and of her son James L. Galle, who died there place two days later in New Orleans.

Both were long time residents of North Beach here.

Mrs. Galle was 88.

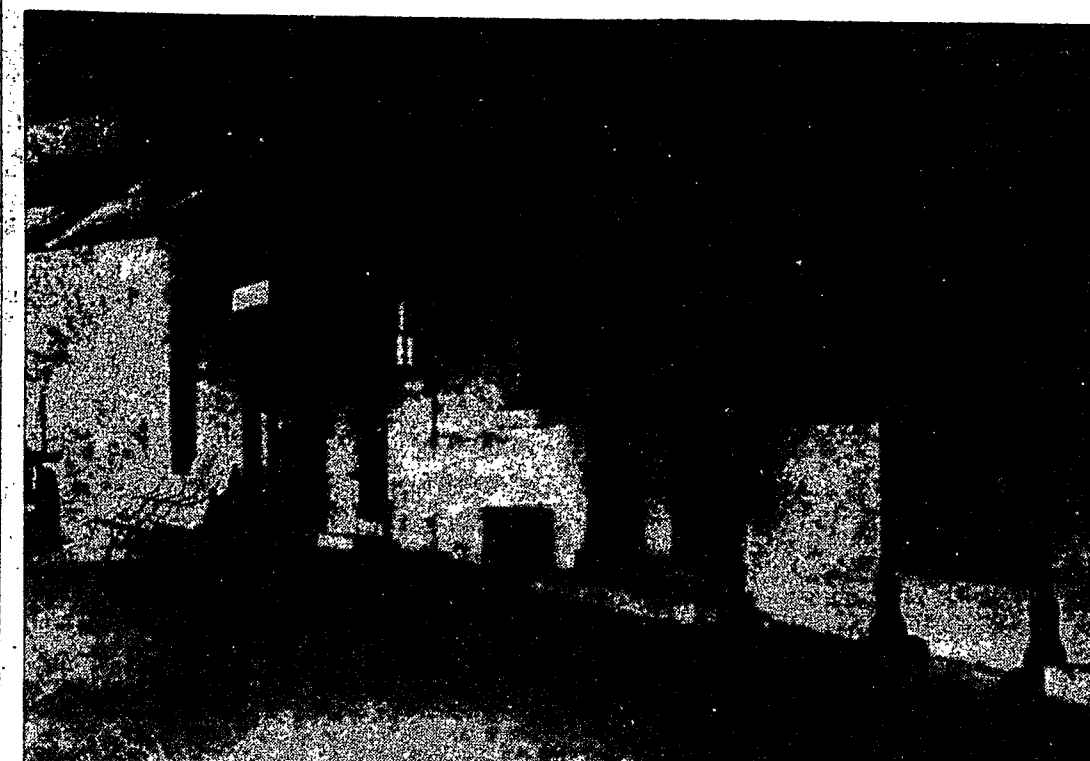

Funeral services took place Saturday with burial in St. Louis No. 3 cemetery.

She was the wife of the late J. L. Galle, a native of Plaquemine Parish.

Surviving are five daughters. Her son was the husband of Alma O. Galle and the father of Mrs. Henry Surpas, Jr., and Mesdames Lawrence O. and Warren A. Forrestall.

He was 65 at death.

Two Strikes Hit Vital Services Here As L & N, Phone Workers Go Off Jobs On Same Day

LONELY STATION IN THE MORNING—The L & N Railroad Station, which is usually bustling with business early in the morning when the commuters catch the train is now padlocked and empty as the railroad workers continued their strike for a raise and other issues.

Mrs. C. M. Shipp Given Honor By Pupils

The members of the Sunday School of the Main Street Methodist Church last Sunday presented to Mrs. C. M. Shipp a silver tray in appreciation for 30 years of faithful service to the Sunday School.

Mrs. Shipp known to hundreds of children and adults as "Auntie Bet" first began teaching Sunday School classes shortly after moving to Bay St. Louis in the mid 1920's. She has taught small children's classes continuously since that time, and many of today's pupils are children of members of her earlier classes.

Mrs. Shipp has taught her lessons in christianity by precept and example and has been an outstanding influence in the lives of many people throughout the effect were made at the time of presentation in her classroom Sunday by David McDonald, chairman of the committee on education and Mrs. Sam Whit-dren's division of the Sunday School.

Mrs. Shipp expressed her appreciation in receiving the tray and said, "Association with children has been one of the great pleasures of my life."

The tray was inscribed, "To Mrs. C. M. Shipp in appreciation for 30 years of loyal Christian service in teaching at the Main Street Methodist Church, 1925-1955."

Miss. Southern Alumni Dinner March 30

All Hancock County Alumni of Mississippi Southern College are invited to attend a "Dutch" dinner at Hotel Reed marking the beginning of nationwide observances of the school's birthday, March 30.

Mrs. Harold Weston of Bay St. Louis is in charge of the alumni event for this county, which is one of 44 spots in the country where anniversary dinners will be held. Mrs. Weston can be contacted at phone 10 or P. O. Box 7.

TELEPHONE STRIKERS PICKET—Mabel Taconi and Audrey Oliver are shown as they form a picket line in front of the Southern Bell Telephone building. The C. W. A. went on strike Monday morning. Members of the Union form a picket from six in the morning until six in the evening here, with two members to a group.

GRAND JURY RETURNS EIGHT TRUE INDICTMENTS; COMMENDS SHERIFF

The Grand Jury after a two-day session, returned eight true indictments and remanded one case to the Justice of the Peace for disposition, and then were discharged.

The jury empaneled for the March term of Court, examined 25 witnesses and investigated 18 cases during its tenure.

It commented Sheriff John Egloff for the fine condition of the jail and for the condition under which the prisoners are kept in the jail.

It also commended Mrs. Gladys Haas of the Welfare Office for the work that she is doing with the problem of Child Desertion in Hancock County.

The jury reported that they also inspected the courthouse

The train commuters found themselves in a heck of a fix this week when they were stranded in New Orleans and couldn't phone home about it.

They were left in this predicament when a group of non-operating unions went on strike against the L & N Railroad and the Communications Workers of America went on strike against the Southern Bell Telephone and Telegraph Company.

Since all of the local workers are on strike the train station has been padlocked.

One of the main points that caused the strike against the Railroad is a two cent an hour raise for all employees.

On a local scale the telephone strike has not been as drastic. The phones are still in operation, but the service is not up to normal at peak hours.

In the peak hours the management of the company requests by recorded message that people do not use the phone except in an emergency.

Since the strike the Western Union Telegraph Company has received a heavy flood of messages. Long distance calls are nil, except for emergency calls.

Charles Seal, local representative of the C. W. A. said, "The employees here are prepared for a long strike if necessary. We will not accept the company's offer to sign a contract with a no strike clause included."

"The company does not want to even give us a chance to arbitrate on any controversy."

At this time in the local exchange 22 operators and four installers and repairmen are on strike.

Four union operators have continued to work.

Along with these operators, the supervisors and the management have been handling the switchboard.

Yesterday the Southern Bell Company issued a statement in connection with the destruction of its property in certain localities.

A company spokesman said, "Telephone lines are lifelines in the community and their destruction is a vicious attack against the public health, safety and welfare."

"Where destruction of property occurs, we are offering a \$5000 reward for information resulting in the arrest and conviction of those responsible. They will be prosecuted to the fullest extent of the law."

Personnel vice-president F. M. Malone said, "The main issue holding up the agreement is the unwillingness of union leaders to accept a clause in the new contract protecting the public against work stoppage while the contract is in force. We are working hard to reach a settlement and are hoping it can be reached soon."

The union members here have a picket line in front of the telephone building and are walking from six in the morning until six in the afternoon.

Two of the strikers walk in a shift, with six shifts a day. The longest telephone strike in history was for 37 days in 1947.

Since the trains have not been operating some of the commuters, who live in Hancock County, have been taking the early bus and others have been using their automobiles.

Notables to Attend

Lee C. Greenberg of New Orleans, Zeke Bonura of Cleveland and Captain Doc Blanchard are among the notables scheduled to attend the annual alumni association banquet of St. Stanislaus College, Sunday, March 20th.

The event, to be held at Hotel Reed, will begin at 5:30 p. m.

Sportsweek

By GREGORY FAVRE

Golf is making its bid to become the biggest participation sport on the Gulf Coast.

This is mostly due to the comparatively new and well constructed Pass Christian Isles Golf Course.

Men and ladies who have never before thought of playing the game or finding themselves on the greens and the fairways every week.

And as the popularity of the club progresses so does the club. Many improvements have been made and there are still many on the blueprints.

Additions at the beautifully located course have been a four hole putting green, a la President Eisenhower, a locker room with a place to store your clubs, the purchasing of a dusting machine to protect the golfers from the insects in the spring and summer months and the refacing of the entrance road.

These are the things that have already been accomplished. But Alec Cunningham, club professional and manager along with Joe Phelps, president of the club and the Board of Directors are not going to stop there.

In fact plans are on the drawing table to make the picture-perfect Isles golfers' domain the best on the Coast.

best on the Coast.

In testimony to the growing fame of the club, just last week over 80 golfers were on hand for an all-day interclub match tournament with the Pascagoula Country Club.

Though local golfers lost for the second consecutive time to the Jackson County golfers, their spirit was a high as ever. Most of these ladies and gentlemen have made up their mind to improve their game so they can be returned the winner in the next match play.

Every week the ladies have a tournament day at the club. This has grown from a handful into a large group at this time. And is just an example of the way the club has catapulted into eyes of the public and has given golf the shot in the arm that was necessary for a sensational rise on the Gulf Coast.

In the near future an open house is planned at the Pass Christian course. All of the new conveniences will be on display for the public. Go take a look for yourself.

string.

The spring turnout is one of the largest in the history of the school.

Pascagoula Beats Pass Isles In Golf Match

The Pascagoula country Club took its second consecutive interclub tournament from the Pass Christian Isles Golf Sunday by the wide margin of 66 1/2 to 32 1/2.

It also repeated its last year's victory over the ladies in the match play tourney by the score of 12 1/2 to 10.

Brad Stiles, president of the Pascagoula Club accompanied the teams.

The tournament, under the supervision of Alec Cunningham the Pass Pro and John David, chairman of the team committee had more entries than last year.

The ladies committee from both clubs joined in serving a lunch and dinner to the golfers.

In the weekly Ladies Day Tournament Mrs. Stella Gamard was named the winner of the four blind holes contest after tying with Miss Ann Liveredge with a net of 16.

The putting tournament was won by Mrs. Doyle O. Hickey with a low of 17.

A luncheon was served by hostesses Mrs. Marion Holmes and Mrs. Nancy Byrne.

In the near future an open house is planned by the Pass Christian Isles Golf Club.

GOOD NEWS - The flounders and soft crabs are here said Mrs. J. G. Treutel, one of the best women flounders of this section and a party consisting of Mesdames W. Hazelet, J. Jackson, E. Little, J. Zanca and Fritz Garcia and Poe Brown.

The group made a record catch in two nights of 78 flounders and 19 soft crabs, one of the flounders measuring 9 inches in length.

The catch was made at Clermont Harbor, Saturday and Sunday nights.

Sidney Manlier and Pat Ruthford made a nice catch over the weekend of 21 green trout.

Pat and Sid are experts at catching them.

The races at New Orleans ended a successful season last Saturday with Roman Patrol winning the feature race. Many local race goers will spend their time until next November with other sports.

Knutz Colson says his business keeps him confined pretty much, but he is going to do a little fishing soon. Can't stand the pressure, he says.

The Pascagoula-Pass Christian Isles Golf Tournament Sunday was a hum-dinger - the Pascagoula men and ladies' teams did it again by beating the Isles teams, the men by 66 1/2 to 32 1/2 and the ladies 12 1/2 to 10 points.

Sponsors of the tourney should be congratulated on the good work. Over 48 players participated.

Alden Mauffray and Philip Seafide made a fishing trip out to the Keys Friday and reported that the speckles have not yet arrived, but the water was excellent. Won't be long now, boys!

The Pass Christian Isles Golf course is at its best just now. Better try it and see for yourself. A new dusting machine will be purchased soon to take care of mosquitoes and knats. An "Open House" will be the order of things shortly, said Alex Cunningham, pro.

The usual group of fight fans from here journey to New Orleans Monday night to see their favorite Ralph Dupas take over Lane in their bout at the Coliseum. Dupas has a lot of backers in the Bay.

Dave Ladner, bridge tender on the Highway bridge reports a few speckles and various other fish are being caught at the present time.

Pearl River and Mulletto Bay are clearing rapidly and should soon prove ideal fishing territories.

scorers in the Southern part
of the State in the classes. Bay
High is a Class A team while
Kiln comes under the juris-
diction of the Class B-BB divi-
sion.

Leroy Wescovich was the high

point maker of his team and
has received a couple of feelers
from several colleges.

Billy Breland is the boy, whose
absence cost Bay High a chance
at the State Title. He was side-
lined when the Tigers made an
unsuccessful bid for the District
Championship. Coach Caldwell
said with Breland his team
could have won and this be-
lief was shared by all the Tiger
fans.

The last man of the first squad
is by no means the least. Royce
Shiyou was perhaps the most
consistent player of a team that
finished third in the State tour-

Larry Ladner was named the Most Valuable Player.

The second string is composed of Frank Ladner of Dedeaux, W. J. Cameron of Dedeaux, Kent Sells of Bay High, Louis Ladner of St. Stanislaus and Louis Garriga of Kiln.

The members of the third string are Pete Stegna of Pass High, Billy Rhodes of St. Stanislaus, Harry Kershaw of St. Stanislaus, Paul Smith of Sellers and Smoky Ladner of Dedeaux.

Donald Cole and Larry Ladner were two of the leading scorers in the Southern part of the State in the classes. Bay High is a Class A team while Kiln comes under the jurisdiction of the Class B-BB division.

Leroy Wescovich was the high

point maker of his team and has received a couple of feelers from several colleges.

Billy Breland is the boy, whose absence cost Bay High a chance at the State Title. He was sidelined when the Tigers made an unsuccessful bid for the District Championship. Coach Caldwell said with Breland his team could have won and this belief was shared by all the Tiger fans.

The last man of the first squad is by no means the least. Royce Shiyou was perhaps the most consistent player of a team that finished third in the State tourney.

His shooting, passing and court play was one of the main factors in the success of the Kiln team.

An All-Star Team selected from the girls bracket will be named in the Sea Coast Echo

City Echoes

—Mr. and Mrs. Fred Wagner, she is the former Virginia Seal of this city, became the parents of a six pound baby girl last Friday. The daughter, named Lisa Baxter, was born in Baptist hospital.

—Mr. Osmond Blaize entered Veterans Hospital in Gulfport this past week for a physical checkup.

—Dr. T. A. Quigley has enrolled for a postgraduate course in radiology at the University of Tennessee.

—Pfc. Maynard Hartley, son of M. L. Hartley of Pass Christian and Sgt. Lessie J. Ladner, son of Mr. and Mrs. Christopher Ladner recently participated in Exercise Follow Me at Fort Benning, Ga. The exercise was held to determine the effects of atomic warfare on a infantry division.

In Austria, Sergeant David I. Carpenter recently took part in a week-long combat exercises. Carpenter is a squad leader in the 70th engineer combat division's Company B. He entered the Army in 1942.

Baptist hospital in New Orleans received another goodly share of this week's congratulatory messages to be delivered to Mrs. Charles R. Johnson and the new son born to her and the Rev. Charles Johnson of Christ Episcopal church. Mother and baby are both reported doing nicely.

Mrs. John Gillespy and her two sons of Monroe, La. are visiting her parents Mr. and Mrs. R. A. Middleton of the Bay.

—Guests of Mr. and Mrs. Louis Wyman were Mr. and Mrs. Cotton of New Orleans and Mr. and Mrs. Frank B. Haight of Baton Rouge.

—Mr. and Mrs. Claude Baker are awaiting with great anticipation the arrival of their daughter, Jean, who, having gotten settled with her husband in their new surroundings in New Jersey, has decided to recuperate with a Spring visit to the Bay. Jean already has her foot in the door at CBS television in New York and will probably be returning to her TV work soon.

Why No Election?

The hospital situation took a new twist last week. Not only has the Board of Supervisors decided on a bond issue—but it appears that only the Board will have anything to say about it. The bond issue should be preceded by an election. That's to let the people decide whether they want to borrow the money. But the Board—or, at least, four members of the board—want a special bill passed in the legislature just so they can have a bond issue WITHOUT AN ELECTION.

Why?

To save money. Elections cost money, they say. Now that's real touching. They are throwing thousands of dollars of federal aid out of the window. They don't worry about saving that money.

But they are worried about saving election money. It's true that it costs money to hold an election—the people's money. It also costs money to float a bond issue—the people's money.

And no one has asked these men to shut the people out in the cold.

Democracy is built on elections. We could save plenty of money in this country if we did away with elections altogether. But we wouldn't have a democracy.

This latest stunt should prove once and for all that the board is not following the will of the people in this hospital mess. It does not even want to hear the will of the people.

If you're against elections, you're against the people.

Criminal Acts

Deliberate setting of forest fires in Hancock County makes up one of the worst crimes hereabouts in a long time. It is bad enough to destroy precious timber accidentally. It is worse to destroy it through carelessness.

But to deliberately set a forest afire, either through spite or a stupid prank, is horrible.

We can only hope that the Sheriff and his crew will slap the culprits under the jail when they catch them—and catch them they will.

Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

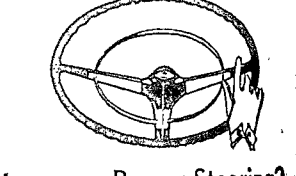

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

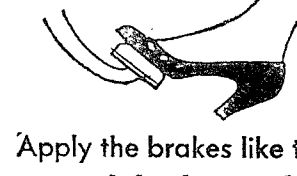

Want standard steering... or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

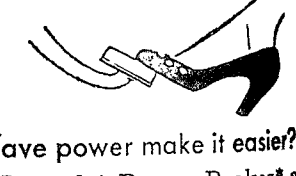

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's linkage-type Power Steering carries a reduced price!

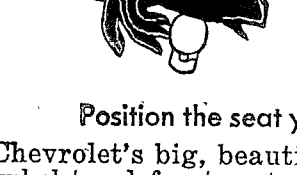

Apply the brakes like this... or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

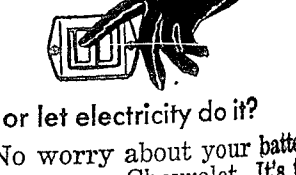

Chevrolet Power Brakes* are better than ever this year—your stop by a simple pivot of your foot from accelerator to swing-type brake pedal.

Position the seat yourself... or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

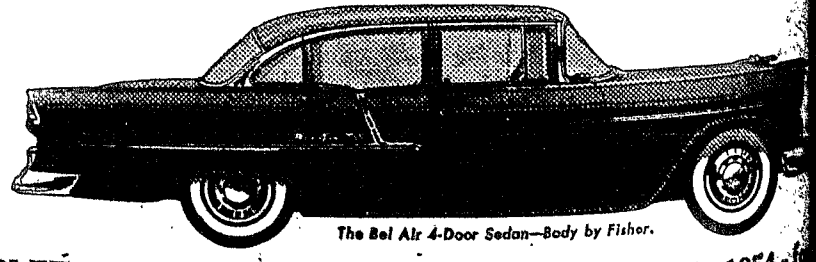

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Automatically—

Chevrolet's stealing the thunder from the high-priced cars. What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

Jim Mayfield Of Waveland Is A Very Successful Owner Of Field Trial Dogs

Jim Mayfield, a handsome...
outdoor sportsman has an un...
usual hobby that he practices...
at his home in Waveland.

Jim breeds, raises and trains...
and runs field trial dogs.

He was interested in this sport...
when he was a little boy and...
became one of the active sup...
porters of the game in 1946 af...
ter receiving his discharge from...
the Army.

Since that time Jim has built...
quite a reputation among the...
group of field trial dog fanciers...
throughout the country.

Unknown to many, Mississippi...
is one of the pioneer and also...
one of the biggest field trial...
states in the Union. The nat...
ional all-dog field trial is held...
in the state.

This makes it convenient for...
Jim, who travels with his dogs...
in hopes of winning the various...
championship trophies and cash...
awards.

Owning a great dog is not new...
to Jim. For a few years ago he...
and his wife, Dorothy, who is...
as avid a fan of the sport as...
her husband, were the proud...
owners of a dog known by the...
registered name of Delivery...
John.

This dog was ranked third in...
the nation.

At the present time the pride...
and joy of the Mayfield stable...
is Transportation Mike, a well...
built, well marked and beauti...
fully trained animal.

A broken leg hampered the...
progress of Mike, but he has...
come along nicely and outstand...
ing achievements are expected...
of him by his masters.

In eight field trials Mike has...
been chosen the winner on five...
occasions.

His best win up until this time...
was the Gulf Coast Trial last...
year.

Mike campaigned as a pup...
py, that is a dog that is one-year...
old but was confined to a hos...
pital all of his second year re...
cuperating from a broken leg...
Mike injured his limb when...
running in a trial.

He won the Gulf States stake...
just after a couple of weeks...
after he was released from the...
hospital and with very little...

sored by Mrs. Cornelius Favre...
Attending were Maris Favre...
Joseph Hoda, Norma Moran...
Ray Seals, Dorothy Hoda, Owen...
Bounds, Martha Cuevas, Jim...
my Ray Hoda, Ithbert Hardy...
Sue Favre, Jeannette Lacoste...
David Lacoste, Kenny Bilbo...
Margie Hoda, Helen Moran...

and Barbara Ann Bennett.

training.

Jim believes that one day...
Transportation Mike will be...
noted as one of the distinguish...
ed trial and breeding dogs in...
the country.

In fact the highly bred dog...
is already on his way in prov...
ing himself as a sire.

Pointing to an enclosure in...
the back of the yard Jim said...
"That is the bitch that is go...
ing to make Mike one of the best...
breeding dogs in the country...
One of their sons Transportation...
Red has already been entered...
in one field trial and made quite...
a showing even though he lost."

The trial was a 20 minute run...
and the weather was above 70...
degrees. After running like a...
champion for 18 minutes Red...
did the natural thing when he...
came to a puddle of water. He...
lay down in it for the remain...
ing two minutes of his allotted...
time.

Because of this the judges...
stated they could not give him...
a placing. But Mayfield felt...
that he still deserved the win...
ner's trophy.

He said, "All the dogs had...
done the same thing and after...
the trial the judges apologized...
to me for not placing my dog...
He had run beautifully and had...
done everything right up until...
that time. But he will win in...
the future."

Another son, Transportation...
Mike II hasn't been entered in...
any trials.

After a dog finishes his puppy...
year he is then placed in the...
derby class, which consists of...
two year olds, and has to handle...
birds as his master rides a...
horse. After that he is the open...
class and completes against...
dogs of any age.

Speaking on the difference...
in a regular hunting dog and...
a field trial dog, Jim said, "We...
believe that a field trial dog...
is a dog that is exceptional in...
all departments. That is they...
have to be steady under firing...
have to have style, class, stamina...
and speed and have to be able...
to adapt themselves to any ter...
ritory they run in. Also the dog...
has to have perfect obedience."

"We like to have big dogs...
because some of the trial runs...
last for three hours. We get...
the dogs in shape by working...
them with a harness like they...
use on sleigh dogs."

As far as the cost of keep...
ing these dogs is concerned Jim...
said, "They are no more expen...
sive than a normal dog. I...
feed them normal dog food and...
keep them on a regular diet."

Jim also has an unusual oc...
cupation. He is an airline pilot...
for Delta C & S out of New...
Orleans.

He and his wife spent most of...

their free time working with...
the dogs and bringing them to...
the many trials.

Their four fine sons, Jim, Jr...
Walter, George and Gautier are...
dog lovers also and help their...
parents with the many chores...
connected with this sport.

Jim said, "Even though there...
is a lot of work training a dog...
to do anything you want him to...
do, anytime you want him to do...
it, the sport is wonderful and...
brings us a lot of enjoyment...
It is a growing sport in Ameri...
ca."

Yes, indeed...biscuits go like hot cakes when you pour on plenty of delicious dark Karo... there's nothing like it for good eating. Satisfin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Quick warm-up! No cold stalling!
Phillips 66 brings you the only gasoline with the added super aviation fuel component Di-isopropyl.

● If you appreciate instant starting and freedom from cold stalling, fill up today with Phillips 66 Flite-Fuel.

Phillips Petroleum Company was the first to make Di-isopropyl and also HF Alkylate. These two components are so valuable to smooth performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions.

New Phillips 66 Flite-Fuel provides increased power, higher anti-knock and greater fuel economy. And you benefit from famous Phillips 66 controlled volatility. In addition, Phillips 66 Flite-Fuel gives you the clean burning qualities that result from use of natural and aviation gasoline components. Fill up today with Flite-Fuel!

NOTICE OF TRUSTEE'S SALE
Whereas, on October 8, 1954,
Fillmore Byrd executed and
delivered to E. S. Drake, Trus-
tee, a certain deed of trust and
note securing the indebtedness
therein described, due and pay-
able to Mrs. Horatio Zengaring,
which deed of trust is of record
in Volume 58 Pages 387 - 388
of the record of mortgages and
deeds of trust on land in Han-
cock County, Mississippi; and

Whereas, in conformity with
the rights, powers and author-
ity granted in said deed of trust
by the maker thereof to the
beneficiary or any legal holder
and owner thereof to substitute
the trustee named therein, the
said Mrs. Horatio Zengaring,
beneficiary named in said deed
of trust and the present owner
and holder of said deed of trust,
note and indebtedness secured
thereby, did appoint and substi-
tute the undersigned Cornelius
J. Ladner as substitute trustee
in the place and stead of E. S.
Drake, trustee as aforesaid, as
shown by substitution of trustee
dated January 28, 1955 and duly
recorded February 4, 1955 in
volume 59 page 315 of the afore-
said record of mortgages and
deeds of trust on land; and,

Whereas, default having been
made and still persists in the
payment of the indebtedness se-
cured by the aforesaid deed of
trust, and demand has been
made upon the undersigned sub-
stituted trustee by the said Mrs.
Horatio Zengaring, the present
Owner and holder of aforesaid
mentioned indebtedness, note
and deed of trust, to foreclose
same and sell the property
therein described and conveyed
to satisfy said indebtedness;

Therefore, I, Cornelius J. Lad-
ner, substituted trustee, will on
the 4th Monday, the 28th day
of March, A. D. 1955, within le-
gal hours, at the front door of
the County Court House in the
City of Bay St. Louis, Hancock
County, Mississippi, offer for
sale and sell, for cash at public
outcry, to the highest and best
bidder therefor, the following
described land in the County of
Hancock, State of Mississippi,
to-wit:

The NE 1/4 of NW 1/4, NW 1/4 of
NE 1/4; NE 1/4 of NE 1/4; SE 1/4 of
NE 1/4 all in Section 1 Township
6 South, Range 15 West; also
the NW 1/4 of NW 1/4; SW 1/4 of
NW 1/4; SE 1/4 of NW 1/4; NE 1/4 of
SW 1/4 all in Section 20 Town-
ship 6 South, Range 14 West;
also the SW 1/4 of NE 1/4; SE 1/4 of
NE 1/4 all in Section 6 Township

6 South, Range 14 West, Han-
cock County, Mississippi.
The title to said property is
believed to be good, but I will
convey only such title as is ven-
ued in me as substituted trustee.
Witness my signature this the
1st day of March, A. D. 1955.
Cornelius J. Ladner
Substituted Trustee.

by HOWARD SIMMONS
CONSERVATION

March 20 to 26 is National
Conservation Land-Use Empha-
sis Week. This special week is
an excellent time to take stock
of where we stand in Mississippi
in regard to land-use.

According to the latest avail-
able estimate the soil erosion
picture in Mississippi is not a
pleasant one. Here is the way it
shapes up:

Very severe erosion—all top-
soil lost and frequent gullies on
six percent of the land.

Moderate erosion—one-fourth
to three-fourths of the topsoil
lost on 56 percent of the land.

Slight erosion—less than one-
fourth topsoil lost on 20 percent
of the land.

No erosion of only four percent
of the land.

Let's improve this situation.
Stop trying to cultivate steep
erodible land. Put this land to
pastures or trees and keep cov-
er on it year round.

Put the row crops on land
that is not subject to erosion.
Fertilize it heavily and make
high yields.

Provide adequate drainage,
build farm ponds, prevent fire
from destroying your woods—all
of these tend to save the soil and
insure that your farm will be
here in the future.

TOMATO PLANTS

The State Plant Board has
prohibited the sale or shipment
into Mississippi of out-of-state
grown tomato plants. This is
aimed at preventing the spread
of serious tomato diseases as
late and early blight.

This quarantine against out-of-
state tomato plants was passed
by the plant board at the re-
quest of tomato growers and
agricultural workers.

Mississippi tomato plant grow-
ers are urged to make sure that
their plants are inspected by
plant board inspectors so that
they may be certified for sale,
requests for inspections may be
made directly to the district
inspectors or to the State Plant
Board at State College.

All certified tomato plants of-
fered for sale in stores or ship-
ped by mail or express must
have a tomato permit attached
which gives the growers num-
ber, his name and address. To-
mato plants sold at the plant
bed do not require permits, how-
ever they must be inspected.
